

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1. **(currently amended)** A reclosable fastener comprising a male/female closure between a pair of opposed base members, wherein a single flange for attachment of the closure to a web or film is provided on one only one of the two base members and in which the base members include means to attach the fastener additionally to the web or film.
2. **(canceled)**
3. **(currently amended)** A reclosable fastener as claimed in claim 2 1, in which the base members are provided with ribs arranged to be attached to the web or film.
4. **(original)** A reclosable fastener as claimed in claim 3, in which the ribs are positioned at the margins of the respective base members.
5. **(previously amended)** A reclosable fastener as claimed in claim 3, in which a layer of sealant material is co-extruded on to each rib.
